

## Mentor Application Form

### Partners in Experiential Learning (PEL) Summer Studentship (2019)

CaRTT and PEL are committed to providing an integrated training program in cancer research and STEMM technology leading to better diagnosis or treatment of human disease. The Partners in Experiential Learning (PEL) Program targets high school students who complete co-op placements during grade 11 or 12. In order to bridge the gap between PEL alumni and graduate/postgraduate students, PEL is offering to help support summer studentships in 2019 for PEL alumni. Students must have successfully completed a PEL Co-op placement; and be on a research project in oncology and/or STEMM health technology.

All CaRTT/PEL Mentors are eligible to apply on behalf of a PEL alumnus they are directly supervising. PEL will provide up to a maximum of \$1,500 per student per summer to each mentor to partially cover the cost of the placement. Students should discuss potential stipends with their mentors.

All students who have successfully completed a PEL co-op placement with a CaRTT/PEL Mentor are eligible for a CaRTT/PEL summer studentship.

Email completed applications to Luciana (Lucy) Brown ([luciana.brown@lhsc.on.ca](mailto:luciana.brown@lhsc.on.ca)) with the following information:

1. A one page description of the project the CaRTT/PEL summer student will undertake. (see page 2 for style guidelines and format)
2. An abbreviated *curriculum vitae* of the Mentor, with evidence of sufficient operating funds to support the Trainee's research project, a list of students trained or in training under the Mentor's supervision (last 5 years), and a list of publications (last 5 years).
3. A student transcript (up-to-date as of April, 2019)

**DEADLINE FOR SUBMISSIONS IS APRIL 12, 2019. Notification of awards will be made in May, 2019. Please note that studentship awards will be limited to one per Mentor per summer.**

CaRTT and PEL are committed to providing funding for up to 10 high school summer studentships for 2019.

Please forward any questions regarding eligibility or application procedures to: Luciana (Lucy) Brown ([Luciana.brown@lhsc.on.ca](mailto:Luciana.brown@lhsc.on.ca)); (519) 685-8600 x 55769.
