PART III: STATEMENT FROM THE APPLICANT

Please state why you chose a PEL co-op placement in a health research environment.

Describe (using this page only, single spacing, 12 pt. font, Times New Roman and 0.5 inch margins) why you wish to become a PEL co-op student. Identify personal strengths, your expectations of an experiential learning opportunity in a research environment and any other points you feel qualify you as an excellent candidate for the program. Try to be specific. Examples are helpful. (NOTE: This section must be edited by a teacher and will be assessed as one of the most important and informative parts of our competitive application process).
