

PEL Partners in Experiential Learning

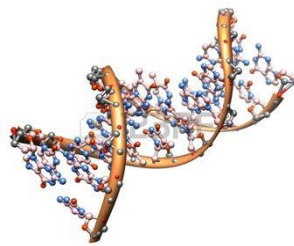

London Health Sciences Centre, Victoria Hospital Campus
Zone C, Room C3-301 A&B

Tuesday December 6, 2016

1130hrs – 1500hrs

1130 – 1210 Lunch

1210-1500 – Presentations

Students and parents interested in learning more about cooperative education in the Science, Technology, Engineering, Medicine, and Mathematics (STEMM) disciplines are invited to attend the PEL Fall Enrichment Seminar.

Students and invited guests will be treated to lunch and presentations from distinguished researchers and current cooperative education students.

This is a mandatory event for current PEL Cooperative Education Students from London District Catholic School Board (LDCSB) and Thames Valley District School Board (TVDSB).

Contact Luciana Brown, PEL Program Coordinator at (519) 685-8500 x55769 for more information or to RSVP @Luciana.brown@lhsc.on.ca before Monday November 28, 2016
