

CBD Technical Guides and Schulich Info

Updated: May 19, 2022

RCPSC CBD Technical Guide		Schulich Info
<p>Technical Guide 1: EPA Observation Forms</p> <p>September 2020</p> <p>Direct link</p>		<ul style="list-style-type: none"> ▪ Relevant prior to your official launch. ▪ These components are automatically considered when the PGME CBME Operations Team builds your EPA forms in Elentra or when your Specialty Committee revises your EPAs. ▪ Any differences from your Specialty Committee’s guidelines for EPAs (naming, assessment plan expectations, milestones, entrustment rating scale anchors, contextual variables, etc.) should be documented in a separate spreadsheet.
<p>Technical Guide 2: Applying Dual Standards</p> <p>September 2020</p> <p>Direct link</p>		<ul style="list-style-type: none"> ▪ Relevant for the initial years of your implementation when you have a mixture of time-based residents and CBD residents. ▪ The PGME CBME Operations Team discusses the components of this technical guide and how you want to apply dual standards, or a hybrid program, when you are just preparing to launch. ▪ Once your program has CBD residents in all years, this technical guide no longer applies.

<p>Technical Guide 3:</p> <p>Competence Committees</p> <p>September 2020</p> <p>Direct link</p>		<ul style="list-style-type: none"> ▪ Relevant prior to your launch and in the initial years after your launch. ▪ The PGME CBME Operations Team works with you to incorporate the mandatory components for your Competence Committee (CC). ▪ Schulich guides, templates, and samples of necessary forms are available on our website. ▪ There is also an opportunity for your Competence Committee to be observed to allow for feedback on your CC's protocols and processes.
<p>Technical Guide 4:</p> <p>Transfers</p> <p>March 2022</p> <p>Direct link</p>		<ul style="list-style-type: none"> ▪ This guide covers what outgoing programs and receiving programs must do when transfers of residents occur <ul style="list-style-type: none"> ▪ Between a time-based and CBD program, or ▪ Between different institutions, or ▪ Between different disciplines ▪ Competence Committees and Residency Program Committees (RPCs) should be prepared to provide a summary of their resident's achieved competencies and training experiences with consideration of a transfer that is occurring to a different discipline, thus less familiarity with different EPAs. ▪ PGME will assist with transferring assessment data in Elentra and one 45. <p>Refer to the following PGME policy:</p> <ul style="list-style-type: none"> ▪ Transfer Policy ▪ <i>Please note that this policy will have a minor update to reflect the latest information in the new Technical Guide: residents do not need to contact the RCPSC to assess any prior postgraduate training for credit.</i>

<p>Technical Guide 5: Exam Readiness</p> <p>March 2022</p> <p>Direct link</p>		<ul style="list-style-type: none"> ▪ This guide covers the relevant actions that residents, CCs, RPCs, PGME, and the RCPSC's Credentials Unit must do for fall and spring specialty exams. <ul style="list-style-type: none"> ▪ Note that the Confirmation Completion of Training (CCT) spreadsheet is sent directly to Program Directors by the RCPSC and not the PGME Office. ▪ Program Directors must submit the CCT to the PGME Office. PGME will then send all CCTs to the RCPSC. <p>Important Royal College policy:</p> <ul style="list-style-type: none"> ▪ Policies for Certification in a Competence by Design Model of Residency Training (February 2022) ▪ https://www.royalcollege.ca/rcsite/documents/credential-exams/cbd-certification-policy-e.pdf <p>Refer to the following PGME guides:</p> <ul style="list-style-type: none"> ▪ CBD Exam Timelines – One Season [Fall only exams or Spring only exams] ▪ CBD Exam Timelines – Different Seasons [Fall and Spring exams] ▪ CBD Exam Memo & FAQs
<p>Technical Guide 6: Leaves</p> <p>March 2022</p> <p>Direct link</p>		<ul style="list-style-type: none"> ▪ This guide covers the relevant actions that residents, CCs, and RPCs must do before residents take a leave of absence and when they return from a leave. ▪ There is consideration if the program changed from a time-based residency program to a CBD program during a resident's leave. <p>Refer to the following PGME policy:</p> <ul style="list-style-type: none"> ▪ Residency Leaves of Absence Policy ▪ <i>Please note that this policy will have a minor update to reflect the latest information in the new Technical Guide: the RCPSC does not need to be notified to approve or be informed of leaves; and the role of Competence Committees will be included so that CCs can update their relevant process and procedure documents.</i>
