Dr. Chris Watling
MD, MMed, PhD, FRCPC

PGME CBME presents

COACHING & FEEDBACK WORKSHOP

FOR FACULTY & RESIDENTS

features

- Interactive
- Brief didactic elements to introduce key concepts
- Group discussions utilizing your own experiences
- Opportunities to practice the skills discussed

Learning objectives:

1. Identify the fundamental characteristics of effective feedback
2. Explore coaching as an educational philosophy, drawing on principles from music and sports
3. Develop strategies for coaching effectively to enhance learning in clinical settings
