

Course Description: This course is designed to provide in-depth information about the Schulich Faculty Mentorship Program. You will learn more about the principles of mentorship and the roles of mentor and mentee. Upon completion, you will be prepared to initiate/support a Clinical Mentorship Committee.

Course Length: Approximately 2 hours

Learning Objectives: Following completion of the course, learners will be able to:

1. Explain the Schulich Faculty Mentorship Program.
2. Define the roles of mentor and mentee.
3. Describe the principles of establishing an effective mentor-mentee relationship.
4. Apply concepts related to equity, diversity, and inclusion (EDI) and provide practical tips for incorporating EDI into mentorship from the perspective of Chairs, Mentors, and Mentees.
5. Demonstrate skill in participating on a Schulich Faculty Mentorship Committee.

CME Credits: This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada, and approved by Continuing Professional Development, Schulich School of Medicine & Dentistry, Western University. You may claim a maximum of 2.0 hours (credits are automatically calculated).

This one-credit-per-hour Group Learning program meets the certification criteria of the College of Family Physicians of Canada and has been certified by Continuing Professional Development, Schulich School of Medicine & Dentistry, Western University for up to 2.0 Mainpro+ credits.

Mainpro+ ID: 201605-001

Each participant should claim only those hours of credit that they actually spent participating in the educational program.

More Information: This course is only open to Clinical Faculty at the Schulich School of Medicine & Dentistry at the Assistant, Associate, or Full level. Please [click here](#) to access the course. Please email kehickey@uwo.ca if you have additional questions.
