## 2 Click "Go to a Site"

The screenshot shows a dashboard interface. At the top left, there is a dark navigation bar with a 'Go to a Site' button highlighted by an orange circle. The dashboard contains several widgets: a 'Welcome back Megan Morris' widget with a date indicator 'THU MAR 26' and a notification badge '0'; a 'My Sites' widget with the message 'You have not visited any sites recently.' and a note about recently visited sites; a 'My Upcoming Tasks' widget with an 'Add a Task' button and the message 'You have no tasks.'; a 'New Content' widget with a message about configuration; a 'My Content' widget with tabs for 'Starred', 'Recent', 'Owned Content', 'Drafts', and 'Locks', and the message 'You have no starred assets.'; and a 'Stale Content' widget with a message about configuration.

## 3 You should see your site listed here. If not, you'll need to [request access](#) to it.

The screenshot shows the 'Go to a Site' dropdown menu open. The menu has a search bar with the placeholder text 'Type here to filter Sites list'. Below the search bar, three sites are listed: '2025 Schulich - Communications' (highlighted with an orange circle), '2025 Schulich - The Catalysts', and '2025 Schulich Training Site'. The background shows the same dashboard as in the previous screenshot, but it is dimmed.
