CALL FOR ABSTRACTS FOR

The Department of Psychiatry

ACADEMIC RESEARCH DAY

Thursday, June 25, 2015

On behalf of the Research Committee, I am pleased to invite you to submit a research abstract for presentation at the Western University Department of Psychiatry Academic Research Day, to take place on Thursday, June 25th at the Parkwood Institute Mental Health Care Building, at 550 Wellington Road, London, Ontario, N6C-0A7.

Please indicate your preference for oral or poster presentation format. Trainees and junior faculty members will be given priority for oral presentations. Although we will try to accommodate speaker preferences, given space limitations presentation format will ultimately be determined by the Research Committee. Awards will be given for best presentation by a junior faculty member or postdoctoral fellow and by a trainee.

The Keynote address will be given by Dr. Michael Kral, a Clinical Psychologist and one of Canada’s leading experts on the topic of suicide among Canada’s Indigenous people. His lecture is entitled “Culture and Suicide: The Case of Inuit in Nunavut.”

Abstracts should be double spaced, with a maximum of 250 words. They should be typed in a minimum of 12-point font, preferably in Microsoft Word format and submitted electronically to Kristen Sanders at kristen.sanders@lhsc.on.ca No Faxes Please.

Abstracts should summarize Study Objectives, Methods, Results, and Conclusions, and ideally provide Implications for Care, Policy Development, and/or Future Research. We will consider submissions for studies currently in progress, with preference given to completed projects. It is required that you indicate whether your project has Research Ethics Board approval. Please acknowledge sources of funding, as appropriate.

The revised submission deadline is April 24th, 2015.
