

# How to Request REDCap Service

- Decision Support administers and supports all REDCap QI projects for LHSC
- To request a new REDCap project, go to 'Programs and Initiatives>Decision Support>REDCap'
- You will find many REDCap related resources as well as the '[Quality Improvement Project Registry Form](#)' that you will need to complete to request a new project
- After you have requested a project, you will be invited to a meeting with the REDCap admins to discuss your project
