DEAR RESEARCH SANTA...

Have you made your wish list for Research Santa?!
If you could be granted 3 clinical or research wishes for cancer in London, what would they be?

Tell Santa by emailing elizabeth.mazza@lhsc.on.ca

FUNDING OPPORTUNITIES

Check out Research Western's funding page for recent internal and external funding opportunities.

Congratulations...

- Best wishes & congratulations to **Dr. Jerry Battista** on a highly productive and impactful career as a scientist and academic leader. In particular, Jerry led the Clinical Physics Group and more recently he was Chair of the Department of Medical Biophysics. We wish you all the best during your retirement!
- Congratulations to **Dr. Fred Dick and all Co-Authors** on the recent paper in *Molecular Cell* which features Fred's lab's unique mouse models of mutant pRB. Read more by [clicking here](#).
- Congratulations again to the **2016 Fall Catalyst Grant Competition Awardee**
