Clinical and Research Rounds
Wednesday December 8 4PM

SPECIAL NEEDS DENTISTRY – SOME BASIC 🦷'S

DR. RAYMOND LEE, DDS.
Department of Paediatric Dentistry, Schulich School of Medicine & Dentistry, Western University

Learning Objectives:
At the conclusion of this presentation, participants will be able to:

1. Better understand the basic science involved with dental health in this unique population
2. Discuss the difficulties in transitioning care from paediatric to adult dentistry
3. Better comprehend how access to care remains an ongoing challenge

4:00PM Introduction
4:05PM - 4:45PM Dr. Raymond Lee
4:45PM - 5:00PM Questions, Concluding Remarks, Evaluation

25% of this program is dedicated to participant interaction

Broadcast via Zoom to your computer or mobile device at
https://us06web.zoom.us/webinar/register/WN_c0--diD_QEKQWBfbNgi0Fw

This presentation will be recorded. Any audiovisual recording may be used in the future for educational or promotional purposes, inclusion on websites, social media, or any other purpose that the Developmental Disabilities Program at Western University deems appropriate. If you choose to ask a question verbally or participate verbally in any discussion, you are presumed to consent to the use of your comments, your voice, and your image in the recording and future use of this presentation. If you DO NOT want any audio recordings made of your voice, please use the question and answer function in Zoom if you have a question.

These continuing professional development rounds are a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada (1 credit).

The Developmental Disabilities Program is approved by the Canadian Psychological Association to offer continuing education for psychologists. The Developmental Disabilities Program maintains responsibility for the program.

Each participant should claim only those hours of credit that they actually spent participating in the educational program.

This program has no commercial support.
