PARTICIPANTS NEEDED FOR THE STUDY ON INDIVIDUALS WITH INTELLECTUAL DISABILITY AND AUTISM AND THEIR NONDISABLED SIBLINGS.

Do you have an adult sibling that is disabled or are you disabled and have a sibling; we want to talk to you!

Centre for Caregiving Excellence, Siblings Canada, and Western University Disability and Medical Anthropologists are aiming to look at the mutual care relationships between adult siblings (disabled and nondisabled).

WHO IS ELIGIBLE?

♦ Participants must be over the age of 18
♦ Has a sibling who is disabled or is disabled and has a sibling
♦ Must be able to speak English.
