Pre-Clinical Placement Requirement Clearance Information  
(for Entering Students)

Western’s Student Health Services (SHS) has partnered with the Schulich School of Medicine & Dentistry to provide support and clearance on Pre-Clinical Placement Requirements. In addition to Pre-Clinical Placement Requirements, some elective sites may request documentation for their records. It is the students’ responsibility to provide this as requested, not Student Health Services or the Schulich School of Medicine & Dentistry.

INSTRUCTIONS FOR PRE-CLINICAL PLACEMENT CLEARANCE

In order to meet the Pre-Clinical Placement Requirements, you need to complete the following steps:

• Gather all documentation and update immunizations/vaccinations, as per the Medical Requirements listed on the Entering Student Requirements Checklist.  
  NOTE: Immunizations are available directly from SHS and can be booked prior to your clearance appointment.

• Book an appointment with SHS well before your requirement deadline (you will need your student # and UWO email address).

• Bring all original immunization documentation with you to your clearance appointment. These will be scanned to your chart. Note: If you are bringing in forgotten or delayed documents, please bring along a photocopy since you will be seeing the Information Nurse only.

Failure to adhere to the requirement deadline will result in a hold on your academic progress which could result in the loss of the academic term.

APPOINTMENT WITH WESTERN UNIVERSITY STUDENT HEALTH SERVICES

You need to make an appointment with a Student Health Services nurse for final clearance.  
**Your student # and UWO email address are required.**

*Western’s Student Health Services have currently reduced their services due to the Covid-19 pandemic. They are not offering pre-placement health clearances at this time.

What you can do now and in the next several months:

- review immunization requirements outlined in the Entering Students Requirements Checklist document.
- book an appointment before the end of August with your family doctor to obtain prescriptions and/or any medical records needed.
- watch this Post Admissions website for updates on when these pre-placement health clearances are available again.*
You are encouraged to book your appointment early. Don’t wait until the last week to book your appointment as appointment times will fill.

Ensure that all medical requirements have been met and proof of completion has been received BEFORE you attend your scheduled appointment. You will not be cleared until all documents have been submitted and if there is anything missing or outstanding, you will be required to book another appointment.

If you need to cancel an appointment, ensure you cancel at least 24 hours prior to your appointment or you will be charged for a missed appointment. You can call the cancellation line 24 hours a day at 519-661-3030.

Please bring to your appointment:

- Blood lab reports (as required)
- Yellow immunization card or other proof of immunization
- Certification cards (as required)
- Original documents
