

## Schulich Dentistry Orientation Week 2018

Dear Class of 2022,

The Orientation Week Committee would like to congratulate you once again, and welcome you to Schulich Dentistry.

We have enjoyed planning a memorable Orientation Week for all of you, to ensure you all have an outstanding beginning to your dental careers. Orientation Week will commence Monday August 27 through Monday September 3, and will include the mandatory and coveted White Coat Ceremony on Tuesday August 28.

Our emphasis for your Orientation Week is to create a comfortable and friendly environment where you can meet your peers and integrate into the academic community that will be your home for the next four years. There will be a variety of social events, some mandatory and administrative and others voluntary. The Class of 2020 created an unforgettable experience filled with great memories for our class, and we hope to be able to do the same for you as you start at Schulich Dentistry.

Please join the "Schulich Dentistry Class of 2022" Facebook group as we will try to keep it updated with information about Orientation Week. You can also reach out to any of the Orientation Week Committee members (see below) if you have any questions or concerns. Enjoy your summer and we look forward to meeting you in August!

Sincerely,
