

# Human Research Ethics Seminar

## Technicalities, Tips, and Tricks

Presented by **Nicola Geoghegan-Morphet**, Ethics Officer, Office of Human Research Ethics for the Health Sciences Research Ethics Board.

Dentistry Research is pleased to bring you this informational session jointly organized with the Office of Human Research Ethics. Topics to be discussed will include the institutional requirements for ethics reviews in human participant research, the informed consent process, protocol development, and the WREM application system. Schulich Dentistry faculty members and students conducting research with human participants are welcome and encouraged to attend.

**February 24, 2022 (12:30pm-1:30pm)**
