Seminars in Dental Sciences

Tuesday, November 23, 2021 (12:30PM-1:30PM)

Research in Special Care Dentistry
What does it mean for the 21st Century Clinician?

Dr. Sharat Pani, BDS, MDS
Assistant Professor, Paediatric Dentistry
Chair, Scientific Committee, Canadian Society for Disability and Oral Health
Chair, Working Group on Disability and Oral Health NCOHR

Dr. Sharat Pani is an Assistant Professor of Paediatric Dentistry at the Schulich School of Medicine and Dentistry. His research interests center around the biopsychosocial model of disease and seek to combine the fields of epidemiology, behaviour sciences and clinical paediatric dentistry. He has a keen interest in Special Care Dentistry serving on the board of the International Association for Disability and Oral Health (IADH).

You can attend either in person in DSB 1002 or virtually on Zoom
