Understanding Oral Health Outreach: From Local to Global Perspective

Dr. Abbas Ali Jessani, DDS, MSc, PhD
Assistant Professor, Restorative Dentistry

Dr. Abbas Jessani is a tenure-track assistant professor in the Department of Restorative Dentistry and the Coordinator for Community Dental Outreach at Schulich School of Medicine and Dentistry at Western University. Dr. Jessani completed his graduate training in the Faculty of Dentistry at the University of British Columbia, with a focus on public health dentistry. His current projects are exploring the unmet oral health needs and barriers to oral healthcare amongst marginalized populations, such as people living with HIV, LGBTQ2S and other underserved populations.
