12:00 p.m. Selected Topics in Internal Medicine – Staff Presentation

Speaker: Dr. Charlie George, Respirology

Topic: Four Decades of Respirology at Victoria Hospital

Objectives:

1. Review history and development of Respirology since the 1980’s
2. Highlight the introduction of new technologies now considered commonplace
3. Provide some personal reflection on an academic career

This event is an accredited Category 1 group learning activity as defined by the Maintenance of Certification (MOC) Program of the Royal College of Physicians and Surgeons of Canada.

Attendance and evaluation forms will be distributed to your UWO e-mail through One45 on Saturday.
