Department of Medicine Friday Rounds
LHSC – Victoria Hospital
Friday, December 14, 2018
Sumner Auditorium, Room B2-119, VH
(11:45 am lunch available)

12:00 p.m.    Selected Topics in Internal Medicine – Staff Presentation
Speaker:       Dr. Ziad Solh, Hematology
Title:         Sickle Cell Disease and the New LHSC Red Cell Disorders Program: Inpatient and Outpatient Considerations

Objectives:

1. To discuss recent emergency visits and inpatient admissions for acute management of sickle cell disease at LHSC

2. To understand the importance of multi-disciplinary evidence-informed management in sickle cell disease

3. To identify opportunities for patient-centred care and developing a comprehensive care centre at LHSC

This event is an accredited Category 1 group learning activity as defined by the Maintenance of Certification (MOC) Program of the Royal College of Physicians and Surgeons of Canada.

Attendance and evaluation forms will be distributed to your UWO e-mail through One45 on Saturday.

Department of Medicine thanks Bayer for their generous support of Hematology Rounds at LHSC-Victoria Hospital
