The Medical Grand Rounds at University Hospital is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada. Evaluations will be sent out and your attendance calculated automatically through One45.

Thursday, April 18, 2019
12:00 — 1:00pm
Auditorium A, University Hospital

Using big data to measure quality and outcomes in General Internal Medicine

Objectives:

- Appreciate the potential of routinely collected clinical data for health services research and quality improvement.
- Understand patient characteristics, resource use, and outcomes associated with GIM care
- Recognize important variations in care and patient outcomes in GIM

Amol Verma BSc(Hon), MPhil, MD, FRCPC and Fahad Razak BASc, MSc, MD, FRCPC, ABIM are the Provincial Clinical Leads for Quality Improvement in General Internal Medicine for Health Quality Ontario
