Medical Grand Rounds

Thursday, April 26, 2018
12:00 — 1:00pm (lunch at 11:30am)
Auditorium B, University Hospital

Time-bomb Medicine: When the Aorta goes Rogue

Objectives:

1. To understand the basis of thoracic aortic aneurysm formation

2. To review the assessment and management principles of thoracic aortic aneurysm disease

J. Geoffrey Pickering MD, PhD, FRCP, FACC, FAHA
Heart and Stroke Foundation of Ontario/Barnett-Ivey Chair.
Professor, Departments of Medicine, Biochemistry, and Medical Biophysics at the Schulich School of Medicine and Dentistry, Western University.

The Medical Grand Rounds at University Hospital is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada. Evaluations will be sent out and your attendance calculated automatically through One45.
