The Medical Grand Rounds at University Hospital is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada. Evaluations will be sent out and your attendance calculated automatically through One45.

Thursday, April 5, 2018
12:00 — 1:00pm  (lunch at 11:30am)
Auditorium B, University Hospital

Ventilatory Dysfunction in ALS: Can you sustain what you need?

Objectives:
1. Discuss the concept of ventilation sustainability;
2. Decide when and how to best initiate NIV;
3. Describe how to monitor for NIV effectiveness; and
4. Describe the use of cough assist technology.

Dr. David Leasa is a member of the Divisions of Respirology and Critical Care Medicine, Department of Medicine, at Western University.
