Thursday, February 14, 2019
12:00 — 1:00pm (lunch at 11:30am)
Auditorium B, University Hospital

Advanced Cardiac Imaging in the Diagnosis of Cardiomyopathies

Objectives:

- Introduction to advanced cardiac imaging
- Understand the added value of cardiac imaging in the diagnosis and outcome of cardiomyopathies

Dr. Niko Tzemos is the Director of Cardiac Imaging in the Division of Cardiology at London Health Sciences Centre and a Professor of Medicine Physician at Western University.

The Medical Grand Rounds at University Hospital is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada. Evaluations will be sent out and your attendance calculated automatically through One45.
