The Medical Grand Rounds at University Hospital is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada. Evaluations will be sent out and your attendance calculated automatically through One45.

Thursday, February 21, 2019
12:00 — 1:00pm (lunch at 11:45am)
Auditorium B, University Hospital

Autosomal Dominant Polycystic Kidney Disease – Improving quality of care through evidence based management

Objectives:

- Review the prevalence and basic genetic principles underlying ADPKD
- Discuss the evolution in the care of ADPKD in Canada
- Discuss the available tools to determine the risk of CKD progression in patients with ADPKD
- Understand the treatment options currently available to improve ADPKD care.
- Identify which patients with ADPKD benefit from a comprehensive nephrology evaluation

Dr. Pierre Brown is a Nephrologist and the Medical Director for The Ottawa Hospital’s Hemodialysis program.
