Auditorium A, University Hospital

Who You are Speaks so Loudly, I Can’t Hear What You’re Saying: Character-based Leadership and Medical Education

Objectives:

- Describe character-based leadership (CBL), its theoretical framework and historical development
- Identify the core-concepts of CBL from a pedagogical perspective
- Identify approaches of developing and adapting character-based leadership within a competency-based medical education paradigm.

Dr Wael Haddara is the Chair/Chief of Critical Care Medicine and the UH Site Chief of Medical Surgical Intensive Care Unit.

The Medical Grand Rounds at University Hospital is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada. Evaluations will be sent out and your attendance calculated automatically through One45.
