The Medical Grand Rounds at University Hospital is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada. Evaluations will be sent out and your attendance calculated automatically through One45.

Thursday, January 25, 2018
12:00 — 1:00pm
Auditorium B, University Hospital

Asymptomatic bacteriuria in delirium: to treat or not to treat?

Objectives:

1. Be aware of why this is an unresolved issue

2. To promote skepticism when hearing statement: “my mom gets confused whenever she has a urinary tract infection”

3. Present the relevant studies as it pertains to the topic, including local data

Dr. Monidipa Dasgupta is an Associate Professor in the division of Geriatric Medicine in the Department of Medicine at the Schulich School of Medicine and Dentistry, Western University.
