Medical Grand Rounds

Thursday, March 8, 2018
12:00 — 1:00pm (lunch at 11:30am)
Auditorium B, University Hospital

Dimenhydrinate Another Latrogenic Addiction

Objectives:

1. Review the mechanism of action and indications for Dimenhydrinate

2. Explore the criteria for a Substance Use Disorder

3. Appreciate the danger and morbidity of Dimenhydrinate Use Disorder in order to change practice and culture

Dr. Sharon Koivu is the Site Chief of Family Medicine at University Hospital and an Associate Professor at Western University.

The Medical Grand Rounds at University Hospital is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada. Evaluations will be sent out and your attendance calculated automatically through One45.
