Medical Grand Rounds

Thursday, May 24, 2018
12:00 — 1:00pm (lunch at 11:30am)
Auditorium B, University Hospital

Diabetes and Advanced Chronic Kidney Disease: Vulnerabilities, Challenges, Future Directions

Objectives:
1. Review the challenges of diabetes and CKD
2. Outline barriers to optimal care in this population
3. Share experience engaging patients to improve diabetes-related care
4. Outline future research directions

Dr. Kristin Clemens is an Endocrinologist at St. Joseph’s Health Care, and an Assistant Professor in the Departments of Medicine and Epidemiology and Biostatistics at Western.

The Medical Grand Rounds at University Hospital is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada. Evaluations will be sent out and your attendance calculated automatically through One45.
