Thursday, November 23, 2017
12:00 — 1:00pm
Auditorium B, University Hospital

Heart Failure Management in Ontario: How to Make it Better

Learning Objectives:

1. Develop an understanding of the degree of mortality and morbidity associated with heart failure
2. Develop an understanding of the gaps in the system for the management of heart failure in Ontario
3. Develop an understanding of ways the management of heart failure can be improved in Ontario

The Medical Grand Rounds at University Hospital is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada. Evaluations will be sent out and your attendance calculated automatically through One45.
