

# Medical Grand *Rounds*

**Thursday, November 7, 2019**

**12:00 — 1:00pm**

**Auditorium B, University Hospital**

## **Stopping Early Death in Leukemia: A Guide for Front Line Physicians**

**Lalit Saini** is a Hematologist  
in the Department of  
Medicine at Western  
University.

### Objectives

1. Review the biology of leukemias
2. Review the data on early mortality in leukemia
3. Review how front line physicians (internists, family physicians and ER physicians) can reduce/eliminate early deaths.

The Medical Grand Rounds at University Hospital is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada.  
**Evaluations will be sent out and your attendance calculated automatically through One45.**
