The Medical Grand Rounds at University Hospital is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada. Evaluations will be sent out and your attendance calculated automatically through One45.

Thursday, August 10, 2017
12:00 — 1:00pm  (lunch at 11:30am)
Auditorium B, University Hospital

Turning Zebras into Horses: Overview of Neuro-Endocrine Malignancy Management

Objectives:

1. Outline diagnostic workup of selected neuroendocrine secretory syndromes

2. Recognize clinical difference between neuroendocrine malignancies of varying grades and proliferation rates, and implications for triage

3. List treatment modalities for unresectable well differentiated neuroendocrine cancers

Dr. Michael Sanatani is a Medical Oncologist at the London Regional Cancer Program.
