Medical Grand Rounds

Thursday, August 24, 2017
12:00 — 1:00pm (lunch at 11:30am)
Auditorium B, University Hospital

Objectives:

a) Review concepts surrounding antibody testing in kidney transplant recipients.

b) Analyze challenges with kidney paired donation and desensitization.

c) Discuss strategies to improve transplantation rates for difficult-to-match recipients.

Dr. Hari Iyer is an Assistant Professor in the Division of Nephrology and Transplantation at London Health Science Centre and Western University.

The Medical Grand Rounds at University Hospital is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada. Evaluations will be sent out and your attendance calculated automatically through One45.
