Department of Medicine Friday Rounds  
LHSC – Victoria Hospital  
Friday, October 11, 2019  
Sumner Auditorium, Room B2-119, VH  
(11:45 am lunch available)

12:00 p.m.    Critical Appraisal – Resident Presentation  
Speaker: Dr. Beidi Cai  
Topic: Ultrafiltration Rate and Mortality in Maintenance Hemodialysis Patients

12:30 p.m.    Selected Topics in Internal Medicine – Staff Presentation  
Speaker: Dr. Louise Moist, Nephrology  
Topic: Understanding the Kidney Brain access in ESKD

Objectives:  
1. To identify the prevalence of cognitive dysfunction and brain related pathology in the ESKD population  
2. To understand the influence of hemodialysis on ischemic injury on and cognitive decline/dementia  
3. To identify differences in cerebral vascular health and cognitive function comparing HD, PD and transplant  
4. To identify practices to reduce the risks of cognitive decline/dementia/stroke

This event is an accredited Category 1 group learning activity as defined by the Maintenance of Certification (MOC) Program of the Royal College of Physicians and Surgeons of Canada.

Attendance and evaluation forms will be distributed to your UWO e-mail through One45 on Saturday.

Department of Medicine thanks Pfizer for their generous support of Nephrology Rounds at LHSC-Victoria Hospital
