Department of Medicine Friday Rounds
LHSC – Victoria Hospital
Friday, November 22, 2019
Sumner Auditorium, Room B2-119, VH
(11:45 am lunch available for attendees)

12:00 p.m. Selected Topics in Internal Medicine – Visiting Speaker

Speaker: Dr. Spencer Hey, Research Scientist, Harvard Medical School

Objectives:

1. Introduce the concept of the “biomarker ensemble” as a way of understanding the unit of translation in precision medicine

2. Show how evidence mapping is a powerful way to track and communicate the evidence for a biomarker ensemble

3. Discuss some of the challenges for implementing evidence mapping as a support tool for precision medicine

This event is an accredited Category 1 group learning activity as defined by the Maintenance of Certification (MOC) Program of the Royal College of Physicians and Surgeons of Canada.

Attendance and evaluation forms will be distributed to your UWO e-mail through One45 on Saturday.
