Medical Grand Rounds

Thursday, August 22, 2019
12:00 — 1:00pm
Auditorium B, University Hospital

Therapies for Advanced Heart Failure in 2019: Indications and Outcomes

Objectives:

1. To outline current definitions and prognosis of advanced heart failure.

2. To describe scenarios in which heart transplant and implantable left ventricular assist devices (LVADs) may be indicated.

3. To review contemporary outcomes of heart transplant recipients and patients supported with LVADs.

Dr. Livia Goldraich is a heart failure and transplant Cardiologist with the Department of Medicine at the Schulich School of Medicine & Dentistry at Western University.

The Medical Grand Rounds at University Hospital is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada. Evaluations will be sent out and your attendance calculated automatically through One45.
