Thursday, August 29, 2019
12:00 — 1:00pm
Auditorium B, University Hospital

So Many Modalities in Radiology. How do I know what to order?

Objectives:

1. To become familiar with different modalities used in medical imaging such as plain radiography, ultrasound, CT and MRI.

2. To discuss best the modality for imaging common diseases.

3. To discuss pros and cons of each modality for imaging common diseases.

4. To discuss some routine protocols in CT exams and why we use them.

The Medical Grand Rounds at University Hospital is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada. Evaluations will be sent out and your attendance calculated automatically through One45.
