Thursday, February 27, 2020
12:00 — 1:00pm (lunch at 11:30am)
Auditorium B, University Hospital

Leading Big Change: The Challenge of Large Scale Innovation in Medicine & Medical Education

Objectives:

1. Recognize the drivers for change in medical education
2. Identify key success factors in implementing innovations in medical education & healthcare
3. Develop strategies for guiding change in your own settings

Dr. Jason Frank is the Director, Specialty Education, Strategy and Standards in the Office of Specialty Education at the Royal College of Physicians and Surgeons of Canada, as well as Vice-Chair, Education and the Director of Educational Research & Development in the Department of Emergency Medicine, University of Ottawa.
