Thursday, February 6, 2020
12:00 — 1:00pm (lunch at 11:30am)
Auditorium B, University Hospital

Hemochromatosis: Ancient to the Future
2020 Canadian Association for the Study of the Liver Annual Lectureship

Objectives:

- To understand the diagnosis and treatment of hemochromatosis
- To show how the genetic test has been used in historical anthropology
- To look into the future on how whole genomic sequencing may become your patient record

Dr. Paul Adams is a Professor of Medicine in the Division of Gastroenterology at Western University in London, Canada.

The Medical Grand Rounds at University Hospital is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada. Evaluations will be sent out and your attendance calculated automatically through One45.
