The Medical Grand Rounds at University Hospital is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada. Evaluations will be sent out and your attendance calculated automatically through One45.

Thursday, November 21, 2019
12:00 — 1:00pm
Auditorium B, University Hospital

Update in Valvular Heart Disease

Objectives

1. To discuss valvular lesions commonly observed in heart failure

2. To understand rationale and indications for intervention; both surgical and percutaneous options (ie. TAVI, Mitraclip)

3. To explore the role of medical therapy necessary for common valvular lesions

Dr Sabe De is an Assistant Professor of Medicine in the Division of Cardiology at Western University.
