Dr. Kyra Harris-Schulz

Dr. Kyra Harris-Schulz is a Palliative Care Consultant at University Hospital and Assistant Professor in the Department of Family Medicine. Her academic and clinical work centers around improving access to palliative care for patients without cancer and ensuring that regardless of diagnosis patients live and die well.

Is Palliative Care Equitable?

The State of Non-Malignant Palliative Care and
Ways Forward to Improved Access

Objectives:

- To review the literature on access to Palliative Care for patients without cancer
- To discuss key barriers to Palliative Care for patients without cancer
- To explore next steps for how to meet the palliative needs of patients with non-malignant illness(es), frailty, and multimorbidity

The Medical Grand Rounds at University Hospital is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada.

Evaluations will be sent out and your attendance calculated automatically through One45.
