

Medicine *Grand Rounds*

Friday, January 27, 2023

12:00 — 1:00pm

**Auditorium A at UH,
Sumner Auditorium at Victoria Hospital,
or Zoom**

<https://westernuniversity.zoom.us/j/98807304248>

Dr. Ryan Davey

Dr Davey is an Associate Professor at Western and a Cardiologist in the Heart Failure Service at LHSC and SJHC since 2016. He is medical director of the mechanical circulatory support program (LHSC), director of the cardiac care unit (LHSC), director of the pulmonary hypertension program (SJHC), program director for the advanced heart failure training program (UWO) and director of the cardiac amyloid clinic (LHSC).

Cardiac Amyloidosis:

A burgeoning new field, a burgeoning new clinic

Objectives:

1. To review clinical features of cardiac amyloid
2. To discuss clinical trials and recent management guidelines for cardiac amyloid
3. To introduce a new clinical model at LHSC for cardiac amyloid

The Medical Grand Rounds at University Hospital is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada.

Evaluations will be sent out and your attendance calculated automatically through One45.
