

# Medicine *Grand Rounds*

**Friday, September 15, 2023 at 12:00 — 1:00pm**

- Auditorium A at UH,
- Sumner Auditorium at Victoria Hospital,
- or Zoom [Join Grand Rounds](#)

Dr. Christopher Rose

Dr. Christopher Rose is currently Professor in the Department of Medicine at the Université de Montréal. He is director of the Hepato-Neuro laboratory which is located at University Hospital Research Center (CRCHUM).

## **The Complexities of Hepatic Encephalopathy: Stepping off the beaten path**

### **Objectives:**

By the end of this Grand Rounds Presentation, participants should/will be able to:

1. Understand the role of ammonia in hepatic encephalopathy.
2. Comprehend ammonia as metabolic stressor.
3. Decipher the role of testing for covert hepatic encephalopathy.
4. Appreciate that hepatic encephalopathy can lead to neuronal cell injury.
5. Identify that there is an unmet clinical need for new therapeutic strategies in hepatic encephalopathy

Please visit [Department of Medicine Grand Rounds](#) to access recordings from this and prior Grand Rounds presentations.

The Medical Grand Rounds at University Hospital is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada.  
**Evaluations will be sent out and your attendance calculated automatically through One45.**
