Sponsored	Variable	\$0	\$0	Variable

NOTES:

Fellowship adjustments for award holders are applicable to scholarships awarded after September 1, 2025.

Western guarantees a minimum annual funding support package for PhD students (international & domestic) of \$17,000, plus \$6,360 for tuition, for a total of \$23,360.

Tri-Agency awards at the Doctoral level include a \$5,000 per year research allowance (not included in table above).
