CURRENT RESEARCH OPPORTUNITY FOR MSC APPLICANTS

Posting Identification #: 201909005

Graduate Program: Epidemiology and Biostatistics MSc Program

Research Cluster(s): Mental Health & Addictions
Marginalized Populations & Social Determinants of Health
Chronic Disease & Multimorbidity
Behavioural & Environmental Risk Factors

Supervisor(s): Dr. Cheryl Forchuk and Dr. Mark Speechley

Supervisor’s Affiliations: Nursing, Epidemiology & Biostatistics

Vacancies: 1

Term: 2 Years

Description: Potential projects include youth homelessness and mental health, smart technology solutions for mental health, preventing hospital discharge into homelessness, and hospital-based harm reduction strategies for methamphetamine use. Projects are conditional on whether grant funding is awarded for these initiatives. Possible funding packages can be discussed when the outcomes are known.

To Apply: Applicants must independently apply to the Epidemiology and Biostatistics graduate program, using the online Western application portal including a clear reference to this research project, using the posting identification number, in the Statement of Academic Interest.

Application Deadline: January 15

Contact Information: Questions regarding the application process, or inquiries about the Epidemiology and Biostatistics program may be addressed to the Academic Programs Coordinator.

Questions about this posting may be addressed to Cheryl Forchuk (cforchuk@uwo.ca) or Mark Speechley (speechly@uwo.ca).
