“Examining multimorbidity, ageing and complexity using three epidemiological lenses: a national electronic medical record, a national health survey and a provincial primary health care setting”

Dr. Kathryn Nicholson
Adjunct Research Professor
Epidemiology and Biostatistics
Western University

Friday, November 02, 2018
1:30 p.m. - 2:30 p.m.
MSB 384 (Medical Sciences Bldg.)

Refreshments will be provided. To reduce waste, guests are encouraged to bring a reusable mug or cup to the seminar.
