

Lecture Series in Refugee Health

Caring for Kids New to Canada

Dr. Jane Gloor, Pediatrician

Wednesday, May 17, 2017, 6-8 PM

Lecture Hall, The Western Centre for Public Health and Family
Medicine, 1465 Richmond Street

Learning Objectives:

- 1) To acquaint health care providers with the Caring for Kids New to Canada website from the Canadian Paediatric Society.
- 2) To discuss recommended medical and developmental screening for newly arrived refugee children including catch-up immunization.
- 3) To discuss adaptation and acculturation for teenaged newcomers.

25% interaction will be included.

This program has no commercial support.

This Group Learning program meets the certification criteria of the College of Family Physicians of Canada and has been certified by Continuing Professional Development, Schulich School of Medicine & Dentistry for up to **2.25 Mainpro+ credits**. Each participant should claim only those hours of credit that he/she actually spent participating in the educational program.
