*** 25% participant interaction will be included in each session ***

Overall Learning Objectives

1. To provide an update on a variety of common problems and emerging issues in Family Practice.
2. To provide a forum where participants can bring questions for discussion reflecting the challenges they face in their individual practices.
3. To provide an opportunity for group discussion of primary care topics in the small group sessions.

** Time has been allotted for participants to complete evaluations at the end of the day **
