

## DEPARTMENT OF FAMILY MEDICINE FACULTY DEVELOPMENT DISPATCH

### Family Medicine Faculty Development Program

**Mark your calendars to learn, engage, and support your fellow Family Medicine faculty members.**

#### Message from Faculty Development Director

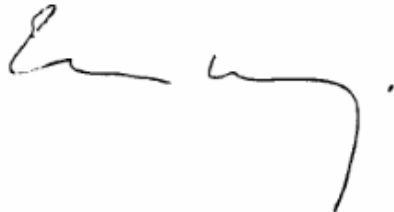

I want to wish you all well during this pandemic and thank you for all your contributions to our health care system.

Due to COVID19, we have had to make some adjustments to our Faculty Development Program:

- 1) We will continue our monthly dispatch in this new format
- 2) We are assessing the situation on a month-to-month basis in deciding whether we are able to offer our monthly faculty development session. We want to ensure that our programming will not interfere with patient care while at the same time be able to attract a large enough audience.
- 3) We will have a greater focus in bringing to your attention curated, online resources for your faculty development needs at this time.

I thank you for your patience!

Sincerely,

Eric Wong, MD, MCISc(FM), CCFP, FCFP, CFD  
Associate Professor and Faculty Development Director, Department of Family Medicine  
Faculty Lead - Assessment, Undergraduate Medical Education  
Schulich School of Medicine & Dentistry  
Western University

## April Session Cancelled

April 29, 2020 – 11:30 am to 12:30 pm – WCPHFM 1120  
Leader Series: **A Practical Approach to Program Evaluation**  
*Dr. Evelyn Vingilis*

## Upcoming May Session (TBC)

May 27, 2020 – 11:30 am to 12:30 pm – WCPHFM 1120  
Scholar / Researcher Series: **Practice Based Learning Networks**  
*Dr. Sonny Cejic / Mr. Craig Mara*

## Mainpro+ credits

### One Hour Sessions:

This one-credit-per-hour Group Learning program meets the certification criteria of the College of Family Physicians of Canada and has been certified by Continuing Professional Development, Schulich School of Medicine & Dentistry, Western University for up to 1.0 Mainpro+ credits.

Each participant should claim only those hours of credit that he/she actually spent participating in the educational program.

### Half-Day Sessions:

This one-credit-per-hour Group Learning program meets the certification criteria of the College of Family Physicians of Canada and has been certified by Continuing Professional Development, Schulich School of Medicine & Dentistry, Western University for up to 3.5 Mainpro+ credits.

Each participant should claim only those hours of credit that he/she actually spent participating in the educational program.

## REMINDERS:

We are tracking your attendance at core sessions and will be awarding a **certificate** to faculty with high attendance at the end of the year. You are encouraged to participate via **Zoom** but you must register your name when joining to have your attendance recorded.

## Tips, Tricks and More!

We know that many of you have continued your educational activities during the pandemic and have transitioned more into virtual care. We have curated a number of resources from the CFPC Faculty Development Resource Repository below to support your work at this time.

### Teaching in a virtual care environment

- [Tips for Supervising Family Medicine Learners Providing Virtual Care](#)
- [Pearls for Writing a Virtual Care Field Note](#)
- University of Calgary [webinar](#) on "Working with Learners in Your Virtual Practice"
- A quick 3-minute [video](#) on how to use Zoom breakout rooms
- Teaching remotely in response to COVID-19: [10 tips](#) to improve your digital classroom

### Providing Virtual Care

- COVID-19 and Virtual Care Implementation and Resource [Guide](#) for Clinical Services
- McGill's series on [telemedicine and virtual medicine](#)
- A quick step-by-step [guide](#) to conducting a telemedicine visit
- CMPA [template](#) for patient consent to use electronic communications

## CAME-Webinars

CAME invites you to join their **webinar sessions** that are designed to bring practical, evidence- and experience-based advice to Canadian health educators. The webinars are delivered by CAME using the Adobe Connect platform, allowing full audio and visual communication and interaction between presenter and participants. The webinars offer an exciting opportunity to engage online with an expert and with colleagues in a live discussion on a key topic in medical education.

## CFPC Clinical Livestream Webinars

The CFPC Clinical Live-Stream Webinars series is a source of high-quality continuing professional development events on topics that are relevant to family practice in Canada. **Click here** for the website of past recordings

## Research

Want to brush up on your research skills? Watch **past lectures** offered by the NIH on a variety of topics such as **Designing and Testing Questionnaires**, **Population-Based Health Research**, or **Clinical Research from the Patient's Perspective & Study Participant Selection**.

## Schulich FD

You can always check out **Schulich's Continuing Professional Development page** for upcoming Faculty Development courses and workshops that you are eligible to register for.
