

**Clinical Academic Appointment:
Clinical Teacher, Department of Family Medicine
Schulich School of Medicine & Dentistry
Western University**

The Department of Family Medicine at the Schulich School of Medicine & Dentistry, Western University, is inviting applications for a **full-time clinical academic teaching position** within an innovative and exciting Department of Family Medicine.

Candidates must hold an MD or equivalent with certification from the College of Family Physicians of Canada and be eligible for licensure in the Province of Ontario. A relevant master's degree or interest in pursuing a Master in Clinical Science (Family Medicine) or medical education is preferred. Clinical practice experience is preferred and experience and interest in teaching is essential. The successful candidate will be a Clinician Teacher and hold a full-time Limited Term Clinical Academic appointment at the rank of Assistant Professor, or a Continuing Clinical Academic appointment at the rank of Associate Professor or Professor depending upon qualifications and experience at the time of appointment.

Compensation will be based on qualifications and experience and will be composed primarily of the following sources: clinical income from the Ontario Health Insurance Plan, alternate funding plan, and academic support.

The successful candidate will be expected to start on January 1, 2024, **or as negotiated**.

The position will be located at the Southwest Middlesex Health Centre in Mount Brydges. The clinic is located within a 20-minute drive from the London city limits and serves as a core teaching site for the Department of Family Medicine Regional Program. The successful candidate will engage in a full spectrum comprehensive family practice including office-based care, care of the elderly, palliative care, in-patient hospital care, long-term care, and home visits. Intrapartum obstetrics care and/or emergency department experience is desirable but not mandatory. Clinical teaching and supervision of family medicine residents, clinical clerks and medical students in the practice will be required. The successful candidate will also be expected to engage in scholarly activities such as non-clinical teaching of medical students and residents, administration, teaching innovation, research, and quality improvement.

The Department of Family Medicine is an academic leader of family medicine in Canada with a vision to transform healthcare and optimize the health and well-being of patients and communities. Our mission is to train and inspire the next generation of Family Physician clinicians, researchers, educators, and leaders. The Department strives to deliver the highest quality clinical care, produce impactful research, advance inter-disciplinary care models, and strengthen community partnerships.

The Schulich School of Medicine & Dentistry at Western University is one of Canada's preeminent medical and dental schools. Established in 1881, it was one of the founding schools of Western University and is known for being the birthplace of family medicine in Canada. For more than 130 years, the School has demonstrated a commitment to academic excellence and a passion for scientific discovery. Throughout its history, Schulich Medicine & Dentistry has helped educate generations of physicians, dentists, scholars, and scientists whose collective work has transformed the practice of medicine and dentistry, here in Canada and around the world. Faculty, students, and alumni continue to fulfill their responsibilities as global leaders by sharing their knowledge and expertise for the benefit of all.
