

DEPARTMENT OF FAMILY MEDICINE
RESIDENT BULLETIN

Academic Events

All Wednesday afternoons are protected time for residents. Most Wednesdays there are **mandatory academic events**. The week before every block, you will receive an academic events bulletin email that details the academic events and important information (e.g. required prework) for that block. For some services, you might need to block off Wednesday afternoons as protected time. If there is no session indicated for you below, that indicates the time can be used for self-directed study. Please review our **academic events attendance policy**.

A Zoom meeting invitation was distributed before July 1st for those eligible to attend Academic Events remotely (Rural sites). **Residents in the Urban and Regional programs (within 35 km of Western Centre for Public Health and Family Medicine) are required to attend Academic Half Days in person.** If you are a resident in a rural program, please accept the meeting invitation so that the Zoom link is added to your calendar for future reference. Note: *There may be Academic Half Days that require all residents to attend in person.*
